In January of 1991, Advent House opened our door to welcome our first Resident at 249 Moseley Road. Since then, 501 Residents and their families have blessed us with their stay at our home located at 1010 Moseley Road. We dedicated our "new home" in December of 1994 and welcomed our first Resident here in January of 1995. It has been an amazing twenty seven years ~ the generosity and dedication of our precious volunteers, churches and our community has made this House a loving place of peace and solace for the dying and their families. It is a privilege to be part of this wonderful ministry to the dying.

Advent House is an outreach ministry of Perinton Ecumenical Ministries Inc., a corporation of thirteen churches in Perinton. We are a non-profit comfort care home that provides an alternative living arrangement for the dying when they can no longer be cared for in their own homes. Loving care is not only provided to them, but to their families and friends as well. We also make available bereavement services to the families of our Residents for at least thirteen months after their loved one has died.

There are no fees to our Residents and we receive no insurance reimbursement of any kind. While volunteers are indeed "the Heart of the Home", we could not function without the support of our community through donations of materials, finances, time, prayers and participation in and support of our fundraisers. We are always accessible to our community as a resource for information or support and welcome your calls or visits.

We consider all of you Angels and we take this opportunity to thank you for your past and continuing support. Without you, we cannot function. Whenever we have put out a call for assistance, you have risen to the challenge and met our needs. There are no words equal to the depth of our gratitude and the gratitude of those whom we serve.

In a world filled with uncertainty Advent House provides a safe, peace and love filled haven to those in need of our care. Thank you for allowing us to continue this life-affirming ministry to the dying. In the words of one of our family members: "We were blessed by everyone we met. The volunteers are truly angels on earth; they are so very loving and kind. We are deeply grateful for the living presence that is the Advent House."

Peace,  
Glenda Hastings, Director

## Partner Pledge Program

We at Advent House have had many faithful monthly donors over the years. Their gift has been based on the approximate cost of one hour of care for our Residents: which amounts to about \$25.00. These donations are especially helpful since we can budget to meet our expenses based on the knowledge that we will receive these monies regularly.

There are several options for payment. One is to send an annual gift. Another is to send a monthly gift to Advent House. The third is to use the Automatic

Withdrawal Program. Many people find this to be a convenient method of payment.

Please consider becoming a monthly donor! Your generosity is what enables us to continue this care giving ministry to the dying and their families at no cost to them. Your gift of any amount will be greatly appreciated. You can complete the form on the following page as directed and return to the Advent House. If you have any questions, please contact Jeanne Kremers at 223-6112 Thank you!

### NEW IN 2017!

#### ADVENT HOUSE ANNOUNCES PARTNERSHIP with VEHICLES FOR CHARITY

Wondering what to do with your used car, truck, boat motorcycle or recreational vehicle? Donating your old vehicle to Advent House is convenient and easy and may qualify you for a tax deduction. And best of all, your donation of a used vehicle will make a big difference in supporting the end-of-life care provided to the residents of Advent House.

Why not donate your vehicle today? All you need to do is to complete the **VEHICLES FOR CHARITY** simple online form at [www.vehiclesforcharity.org](http://www.vehiclesforcharity.org) or call 1-866-628-2277 and they will take care of the rest. Vehicles for Charity will pick up your vehicle or arrange to have your donation towed, and provide you with a tax-deductible receipt, all at no charge to you.

*Frequently Asked Questions: What are the benefits of donating my car to Advent House?* Advent House benefits by receiving a cash donation to fund new and existing programs. You benefit by being able to reduce your taxable income when taxes are itemized. Plus you avoid the costs associated with selling your car. No need to pay for advertising, no loss of privacy and possible security risk, and no need to pay for vehicle registration, insurance, and repairs to keep your car in running condition while you wait for a buyer.

*Does my car have to be running to donate it?* In some cases we can take your car, running or not. However, it must have an engine and be tow-able. Contact a representative at 1 866 628 2277 to find out if your vehicle qualifies for pick-up.

*Do you only accept cars for donation?* Many types of motor vehicles are accepted including boats, motorcycles, trucks, and cars. If you are uncertain as to whether or not your vehicle is eligible, please contact the vehicle donation program toll free at 1 866 628 2277

*How long will it take to pick up my vehicle?* We make donating your car as simple and convenient as possible. A tow company will contact you within two to three business days. Call our representatives at 1 866 628 2277

*Do I have to be with the vehicle at the time of pick-up?* No. Special arrangements can be made by calling our representative. What paperwork do I need? The only paperwork needed is a signed, clear title. Have your title with you when you call-in your donation. [Please note: a clear title indicates the title is in the name of the donor without a lien].

*Do I need a smog certificate in order to donate my car?* For states that require smog certificates or safety inspections, you may donate your vehicle without these documents. Tax Questions How does the new law effect my tax deduction? Donors are no longer responsible for determining the deductible value of their donation. Instead, they will receive IRS Form 1098-C, Contributions of Motor Vehicles, Boats, and Airplanes if the proceeds from the sale exceed \$500, stating the amount of the gross proceeds from the sale of the donated vehicle. The amount listed on IRS Form 1098-C, Contributions of Motor Vehicles, Boats, and Airplanes will be the gross proceeds of the deductible donation.

*Will I get a tax receipt for my donation?* Yes, our driver will issue a tow receipt at the time of pick-up. This is not your final tax receipt unless the sale of your vehicle does not exceed \$500. This initial acknowledgement will indicate your name as well as the year, make, model and condition of the car you are donating. It will be your only receipt if your vehicle sells for less than \$500. What can I claim as a deduction? According to the tax law effective January 1, 2005, if the claimed value of the donated vehicle exceeds \$500, the taxpayer is limited to the gross proceeds of the sale. An IRS Form 1098-C, "Contributions of Motor Vehicles, Boats, and Airplanes" will be mailed to you within 30 days of the sale stating the amount of gross proceeds received from your car, provided your vehicle sold for more than \$500 and you have submitted your social security number. This will be your tax receipt for your charitable contribution.

*How is the value determined on the vehicle donated?* The value is determined by the gross proceeds raised from the sale of the donated vehicle. You no longer have the burden of determining the value yourself. What if my car is valued over \$5000? Effective January 1, 2005, you are no longer required to have vehicles appraised. The value you may claim will be the amount of gross proceeds received from your vehicle!

### Volunteer Updates....

Our volunteers are the heart of Advent house. Without their compassionate hearts and willingness to give of their time to this ministry, we could not continue to keep our doors open. We are so grateful for all they do – whether caring for our residents, helping in the office, cleaning, fundraising or helping at Sweet Charity – all are indeed treasured beyond comprehension.

As always, we are continually looking to recruit more angels to be a part of Advent House! Our most crucial need at this time is resident caregivers at the House and men to help staff the warehouse room at Sweet Charity (especially on Saturdays) to help accept donations. Please visit our website: [theadventhouse.org](http://theadventhouse.org) for more information or call Laurie (223-6112) for House opportunities or Nancy and Meg (364-0317) for Sweet Charity opportunities.
